April 15, 2016

Dear Pastors and Supporting Churches,

Here we are already in the middle of April and heading toward our Bible Publishing Month of May 2016. Time sure has a way of slipping up on us. We are praying and asking the Lord to give us enough money to buy 4 truck loads of paper and a good used 4 color press.

We finally were able to get the CTP (Computer to Plate) up and running, but not without a substantial amount of money. It cost us around \$6,000.00 to get it repaired and a new print engine installed. This seems like a lot, and the salesman we bought this from is still working on trying to get us some of the money back. He also sent in a love offering of \$500.00 to help toward the expenses as he feels the company did not do all that it could have done price wise. Please pray for him as he is still trying to get the company to do the right thing.

The 20,000 English Whole Bibles we printed are all collated and are being bound. We will be printing 20,000 to 40,000 English John and Romans with the paper we have left and are in the process of getting another truck load of paper in.

We are still working on trying to find a digital files for the Cambodian people.

The dates for our Bible Publishing Month Telethon is Saturday, May 21st from 8:00 a.m. til 12:00 p.m. Friday, May 27th from 6:00 p.m. til 10:00 p.m. and Saturday, May 28th from 8:00 a.m. til 12:00 p.m. You can watch it live by going to [www.wyshtv.com](http://www.wyshtv.com). This year our goal is \$125,000.00. Enough to buy 3 truckloads of paper and \$50,000.00 for a small digital press. This Bible Publishing Month allows us to purchase more paper and equipment (Or to keep it running) and to do other projects that come up during the year. For example this year already we have requests to do a Cambodian John and Romans, Garifuna New Testament not counting the English and Spanish and the other languages that we get request for. We have requests all the time for new languages and then we have to find those we can print, set them up and ready them for print. If we do not give the missionary the tools to work with they will have nothing to use for discipling. Please make this a matter of pray what the Lord would have you do.

What I am asking: For your church to give during the Bible Publishing Month Telethon to help us to raise funds to purchase more paper/equipment in order to reach the demanding requests for scriptures. We appreciate all that you do in supporting us on a monthly basis. We just ask for you to pray about it and as Paul asked the question after his conversion, "*Lord what wilt thou have me to do?*" We are not asking for ourselves, but for those who do not have a copy of the Word of God in their language. As the Apostle Paul said in Philip. 4:17 "*Not because I desire a gift: but I desire fruit that may abound to your account.*" We covet your prayers and may God richly bless you as you faithfully serve Him.
