Dear Pastors and Supporting Churches,

Thank you so much for your faithful support to this ministry whether it be by prayers or financial support. All of it is appreciated more than you will ever know.

New 9 Pocket Binder: The print shop has been praying about upgrading the binder that was purchased a little over two years ago. This binder was really too small for all the perfect binding the shop had to do, but the old one gave up the ghost so we had to do something. The one we are looking at is a 9 pocket Horizon perfect binder. It will take the shop to a new level of production. The 4 pocket one we are trading in only did 350 whole bibles per hour and the new one will do 1,000 per hour. The old one did 750—800 new testaments per hour and the new one will do 3,000 per hour. As you can see it is quite a bit more. With the ever increasing needs for New Testaments and whole bibles, this will help the shop to keep up with the future in the demand of scriptures which keep coming in every day. We praise the Lord for what he is doing and the future plans he has for the printing ministry of Mount Pisgah Baptist Church. We are excited at what the Lord is doing. If you would like to be a part of this project we would appreciate you praying and if you would like to give toward this project it would be very much appreciated. Thank you for all you do and are doing to reach the ones who do not have a copy of the Word of God and who have never heard the Gospel of Jesus Christ.
