Dear Pastors and Supporting Churches,

Greetings from the printing ministry. Hope all is going well with you. Before we begin telling you what is going on we want to thank all of our supporting churches, businesses and individuals who helped us reach our goal.

We received the four color press on Tuesday morning July 26th from Virginia Riggers. It arrived around 9:00 a.m. and we unloaded it and put it in place. On Tuesday morning August 2nd the installers from Presstek arrived to do the install. They were here for approximately two and half days. Now we are awaiting the trainer to be here next week starting on Monday, August 22 for a week of training. Please pray that all will go well.

As we stated in the June letter it would cost around \$10,000.00 to get it delivered, but praise the Lord it only cost us \$4,600.00. God is so good! It cost us a total of \$5,000.00 to have it deinstalled and reinstalled. Also all of the electrical supplies to run power to the press were donated and we praise the Lord for this. We also had to purchase a transformer for it in order to get the voltage where it needed to be and this cost around \$500.00 (added expense we didn't know we needed). Supplies for the press to get it ready to run will cost \$1,500. The total cost for the press will come to approximately \$48,600.00. Considering a new refurbished press would have cost \$160,000.00 dollars and the price we gave for it along with all the supplies and maintenance that is a savings of \$110,000.00 approximately). I believed the Lord did a more than we could ask or think on this purchase. Ephesians 3:20 *"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,"* What a wonderful Saviour we serve. He is able!

**SPECIAL REQUEST/NEED:** We would like to put the press under a 1 year contract which will cover the cost of 1 week of training and 2 scheduled maintenance visits for the first year. This will give the press time to settle in and to make sure everything is running well. The cost of this will be around \$10,000.00. This will include parts only. Labor would be extra (166.50 per hour) It sounds like a lot but would be well worth it if anything went wrong. Please pray that the Lord will provide for this special need. This is above the cost of the press and will provide for training also. Thank you for your prayers in this important matter.

We have already purchase a truck load paper that will be delivered at the end of this month and a possibility of acquiring another one within a month of this one as the one just purchased will be used for printing 20,000 English Whole Bibles so we will need to get another to print 100,000 Thai John and Romans and 5,000 Swahilli New Testaments. These two truck loads will cost around \$60,000.00.
