Dear Pastors and Supporting Churches,

Hope all is well and everyone had a wonderful Thanksgiving. Moving on to December I want to wish everyone a very Merry Christmas and a joyous, happy and prosperous New Year. May the Lord bless you!

We have been busy the past two months with the Lord allowing us to print 100,000 John and Romans in the Thai language, and 20,000 English New Testaments.

The 5,000 Garifunia New Testaments printed are on their way to Honduras. We praise the Lord this project is complete and looking forward to doing some more new languages in the future.

We purchased another truckload of paper in first part of November and another truck load will be arriving in the first part of January. This will be a total of 4 truckloads of paper this year. Praise the Lord for supplying the paper for more scriptures to be printed.

The 5,000 Swahillia New Testaments are all collated and are ready for binding.

Right now there are 20,000 English Whole Bibles being collated by the volunteers. We praise the Lord for the 40 plus volunteers who come in every week to put scriptures together. We are so very blessed to have these precious folks to come in faithfully every week.

This is all GOOD NEWS!

However, November has been a trying month. First of all the 5 pocket pony binder went down. We ordered the parts and after the parts came in we repaired the binder. While the men were running the binder our principle of the school was taking some trash to the containers and saw smoke coming out of the air compressor room, so needless to say our 40 plus year old air compressor was broken down too! (we had just spent in the months of April and July \$2,000.00 in repairs)

Every piece of equipment we run needs air, so we decided to purchase a new one. The cost of the new one was \$10,700.00. We praise the Lord because someone gave \$5,000.00 toward the purchase of the new one. We went ahead and ordered it and it is now in and running. We know the Lord will provide the rest. He said he would supply all of our needs, so we are going to trust Him for it.

“Covering the World with the Word”

Then the binder decided it wanted to break down again. We took the parts off and took them to the machinist in Oak Ridge who will make the part for us which will save us around \$400.00. The Lord is so good and we want to praise Him for business men who have a heart for the Lord. We serve and awesome Saviour!
