Dear Pastors and Supporting Churches,

So sorry for the delay in the newsletter. We have been very busy getting the Bibles ready for Cuba.

Our telethon was a success, however we did not reach the goal of \$250,000.00 but were able to raise around \$175,000.00. We praise the Lord for what he has done. This is the second highest we have ever raised during the telethon. Thanks to all of you who had a part in this. May the Lord richly bless you for your faithfulness in getting the Word of God out to those who have never heard the good news of the Gospel.

Mount Pisgah's Printing Ministry is an exciting place with the following projects being completed and started. Will you please pray the Lord will provide all the paper, funds, shipping, and safe distribution of these scriptures to the places mentioned below. We praise the Lord he has allowed you our supporting churches to be a part of this great ministry in fulfilling the great commission of reaching the world with the Gospel of Jesus Christ!

1 MILLION SPANISH JOHN AND ROMANS FOR HONDURAS!!!

We have 175,000 ready of the 1 million we are sending to Missionary John Staman. We have volunteers coming in 2 days a week in order to accomplish this goal. Praise the Lord for these folks.

**A TOTAL OF 15,000 SPANISH WHOLE BIBLES
HAVE BEEN COMPLETED AND SHIPPED AND ON
THEIR WAY TO THE CUBIAN MILITARY!!**

PRAISE THE LORD!!! (Thanks to the all our volunteers from several churches who have worked on this project. Could not have done it without you) Here is video link of the Bibles being packed and shipped.

We are getting ready to ship another 3,000 Spanish Whole Bibles that have been requested for school children in the mountains of Honduras. Praise the Lord we are able to meet this request too.

Future Needs: We are in the searching stage of a new/used perfect binder to do our whole Bibles. We will be looking for a multiple pocket binder to upgrade our old Mueller pony binder. We are looking in the price range of \$150,000.00—\$175,000.00 Please pray we find the right one.
